Re: Administrative Order No. 91-16; Conference and Scheduling

Dear Linda:

This confirms our conversation of today. On behalf of the Cerrillos Land Company, the Santa Fe Pacific Railroad Company and the Atchison, Topeka & Santa Fe Railway Company, I had requested a conference pursuant to § X of the Order. Today on behalf of EPA, you granted this request and emphasized the need to schedule that conference as soon as possible. I understand, pursuant to our conversation and § XV of the Order, that an Order will be effective on the seventh calendar day after the date of the conference. Within three days of that effective date the PRPs will inform EPA whether or not each will comply with the Order. This extends the three day deadline described in the EPA letter and Order received this week. We will coordinate to arrange a conference as soon as possible.

You suggested that to arrange a conference as soon as possible, we should discuss with Rob Bornstein the earliest mutually convenient scheduling. Today, Tim Leftwich of Cerrillos is trying to firm up a date with Rob (avoiding August 19 and 20 at your request). Rob and Tim will consider further whether to have the conference in San Francisco or Albuquerque. They will keep us advised.

We can talk tomorrow, after you return, about the case status of this matter. Finally, I want to thank you for
